For Information on our **Care Directions program** for HIV positive men, women & children of all ages please call **(602) 264-CARE (2273)**.

For example, this means if necessary, the Area Agency on Aging must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Area Agency on Aging will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity.
