Position Open until filled

This position will help to coordinate and ensure a consistent and quality therapy program in accordance with the agency mission, current policies, procedures and applicable standards and regulations. Staff will promote person-centered planning and clinically appropriate practices while maintaining commitment to the customer, continuous improvement, respect and the company vision. This clinician will deliver services at 2 or more different locations. The position requires staff to develop behavior treatment plans for implementation, utilize crisis management procedures or techniques and be available for assistance or support via cell phone. Staff will be expected to travel for DBT skills classes and also for DBT consultation and are preferred to be independently licensed by ABBHE at a Masters level.

Marc Center staff needs to have excellent communication skills, both verbal and written, believe in working as a team, be energetic and have a positive attitude. We look to staff to ensure confidentiality, complete all necessary paperwork in timely manner, and have a strong behavior management background, with the ability to redirect and stabilize client behaviors. Staff must be able to handle crisis situations in a positive, non-threatening manner.

Education Requirements:

The person in this position needs to be a Master's level, trained and licensed counselor, able to work with people with serious mental illness in Maricopa County. Must have worked in a DBT team and be able to provide individual therapy, skills training, phone consultation and participate in Therapists Consultation.

Other Requirements:

Must be 21 years of age or older, have an Arizona Drivers License with clean 39 month Motor Vehicle Report, pass a pre-employment drug test and a fingerprint background check. Some computer experience preferred in Windows based programs, Excel, basic word processing, calculators, and other basic office equipment. Aside from an interview, applicant must pass a DBT test.
